Taste *for* Life

Taste for Life (previously Dining at Home) began as one night of intimate dinners throughout Chicago in the homes of Board members, donors, and friends of Alexian Brothers AIDS Ministry. Today, Taste for Life is a series of events throughout the year. Many of these intimate gatherings are still held in our supporter's homes but now many take place in some of the finest restaurants in the Chicago metro area. A Taste for Life event is more than a fundraiser; it is a unique opportunity for us to build relationships with both new and long-time donors to Alexian Brothers AIDS Ministry. Taste for Life events embody the spirit of home, hospitality and community with the common goal of coming together to help those in need.
